

10. Delta Exchange

Delta Exchange is a cryptocurrency derivatives exchange that offers futures on bitcoin and 19 leading altcoins. The exchange offers up to 100x leverage and is known for its focus on altcoin futures. Many of these altcoin futures, for example Waves, Enjin, Ravencoin are exclusive to Delta. The exchange is legally structured in St. Vincent & the Grenadines and has offices in Singapore and India. The team behind Delta is comprised of seasoned Wall Street professionals from companies like Citi and UBS and serial entrepreneurs.
